ORDER:

The Government of Andhra Pradesh is implementing the 'Family Benefit Management System(FBMS)' program to streamline benefit delivery and achieve "Zero Poverty" under the 'Swarna Andhra' initiative. The program also involves calculating a family score on system generated data for each family in the State. The Government has also decided to collaborate with academic partners—ISB, IIT Kanpur and IIT Tirupati—to develop and implement the methodology for calculating Family Scores.

2. The FBMS initiative involves integrating multiple departmental datasets to compute Family Scores using advanced analytics and machine learning models. Therefore, all data exchange and access with external or academic partners must strictly comply with the Andhra Pradesh Data Sharing and Access Policy (DASP) and the Data Empowerment and Protection Architecture (DEPA) principles. This compliance ensures data security and privacy through data minimization, anonymization, and secure processing within the State's data governance framework.

3. The Government, after careful examination, here by constitute a Data Governance and Ethics Committee to oversee all matters relating to the Family Score, in accordance with the Andhra Pradesh Data Sharing and Access Policy (DASP) and the Data Empowerment and Protection Architecture (DEPA) principles. The composition of the committee and its functions are as follows:

(P.T.O)

Composition of the Committee:

1. Director(Technical), ITE&C Department	-	Member
2. Representative from Indian School of Business	-	Member
3. Representative from IIT Kanpur	-	Member
4. Representative from IIT, Tirupati	-	Member
5. Director, Planning Department	-	Convener

Functions of the Committee:

1. The Committee shall oversee the design, review, validation and deployment of all analytical and machine learning models developed for the Family Score ensuring compliance with Government standards and ethical data usage.
2. The Committee shall convene as necessary to ensure effective oversight of the Family Score.
3. All decisions shall be formally documented and the minutes shall be shared with all relevant stakeholders.
4. The Committee shall submit reports and compliance updates to the Planning Department, limited to activities related to the Family Score.
